

FAST TRACK YOUR BUSINESS WITH THE GLOBAL #1

SETSQUARED
BRISTOL

ACCELERATING YOUR BUSINESS

WHY WORK WITH US

SETsquared Bristol, set up by the University of Bristol and based at Engine Shed next to Temple Meads station, is home to over 80 innovative member companies.

We provide a dynamic and supportive environment to grow your technology business. Whether from the private sector or university spin-outs, all can benefit from our high quality support environment, guidance on business growth and strong links to university expertise.

Over **£500m** total investment raised by Bristol members

Over **250** companies incubated

Over **80** current members

Over **1,100** people employed

WHY WE'RE GLOBAL NUMBER 1

SETsquared is a unique enterprise partnership between the universities of Bath, Bristol, Exeter, Southampton and Surrey which specialises in growing technology startups through its business incubation programme.

The quality of the business support, combined with the amount of investment and funding that SETsquared has helped its member companies raise, has led UBI Global to rank SETsquared as the leading global university business incubator since 2015.

HOW WE'VE HELPED

We have supported over 250 companies across many different technology sectors including semiconductors, telecoms, automotive, biotech, clean tech and security.

Here are some examples of the business incubation support packages that we've provided for member companies.

Ultraleap:
Creating the sensation of touch in mid-air

DON'T TAKE OUR **WORD FOR IT**

“The SETsquared training courses and the support from Entrepreneurs in Residence have been really helpful, bringing different perspectives that helped us think about what we’re doing and challenge us at the same time. SETsquared is very supportive of diverse businesses, and I think that really helps businesses thrive. If we hadn’t set up the company in Bristol with its supportive ecosystem, I don’t know if we would have been where we are right now.”

Zara Nanu,
CEO, Gapsquare

“YellowDog wouldn’t be where it is today without SETsquared Bristol. From opportunities to pitch to and meet investors, to guidance and support from the Entrepreneurs in Residence, access to a wide business support network, to the incredible location, and the peer support from the other folk building their businesses, SETsquared Bristol is a incredible place to start a business.”

Gareth Williams,
Founder and CEO, YellowDog
